Subject: Docking Allowances

Importance: High

Can you reply to my email the specific docking allowances for ALL of our docks? This way I don't have to bother you every time someone calls and asks. I have the letter from GA DNR about the North River ramp and what they call the St. Marys Public Boat Ramp that states 30 minutes maximum.

What is it for:

Gateway (former Gilman) Boat Dock: 72 hours No sign yet. Requires a permit.

Dock behind Knuckleheads - DNR PORTION (the Kayak Dock) - 30 minutes. The Fireworks dock - 6 hours. (Both have signs.)

Pavilion Dock - No Docking permitted. (Has a sign.)

Meeting Street Dock - docking only permitted for boat launch and retrieval - 30 minutes. (Has a sign)

Wheeler Street Dock - docking only permitted for boat launch and retrieval - 30 minutes. . (Has a sign)

The other docks are either Langs Marina (east/west - commercial dock) , the NPS (no public docking - NPS only), or the DNR fishing dock (No docking - off of the park).

The SMPD enforces issues at the docks. I sometimes do it as a courtesy to the SMPD.

Is there any other docks that are allowed to have dockers? NO. If so, where are they and what are the allowances? See above.

I will be preparing the format for signage at each dock. I have applied for a change in permit for the Pavilion Dock and the Fireworks Dock, so this may be amended if the permit revisions are approved by DNR.

Thank you and hopefully I won't have to bug you about this in the future when someone calls. ☺
